HAPPY, HEALTHY, AND CREATIVE NEW YEAR
TO EACH OF YOU AND YOUR FAMILY

NOTES FROM THE PREZ....Donna S.

"Happy New Year! So far 2010 is treating us pretty poorly weather wise but "they" say that it should warm up in a few days. In the meantime, it is great to be able to curl up in a Snuggie with a cup of tea and a good book. That won't last long though, my fingers are getting itchy to hold a brush again. I actually pulled out a couple of old magazines today and flipped through them, searching for my muse. I'll probably start a new project this weekend.

What are you getting ready to paint? Do you think about summery beach scenes, or mountain meadow landscapes? Or are you still in the winter snow/scene mode? I think I am going to tackle a difficult still life I have been putting off because I thought it would be too hard. Too hard? So what!?! What is the worst that can happen? I might sand it off or paint over it, but I will still learn something in the process, and maybe it will turn out well after all.

Why don't you try a project you have been avoiding because you aren't up to it? You will probably surprise yourself.

On another note, how many of you remember a song from the early 80's called "Wasn't That A Party?" by the Irish Rovers? Although we aren't (quite) that rowdy, the chorus of that song has been running through my head ever since our terrific ODA Christmas party. We had such a terrific time, and I want to thank every one of you for making it special.

We have lots of fun stuff coming up this year, so watch for the emails and check the website often. We are in for a great year!!

Keep those brushes moving---

JANUARY 23, 2010 - Frog with Dewdrops -Instructor: Carole Sheftic, ODA Member - Belleview Location Workshop

Carole will be teaching a wonderful pattern that will work great on a Memory Box or a Treasure Box. If you do not have a Memory or Treasure Box by now, please prepare a surface that will fit the pattern. Be sure to have your surface prepped BEFORE class time. We will move right along, so there will not be time to prepare it in class.

The prep instructions are in a PDF file on our website, www.ocaladecartists.com under Workshops and a pattern copy was included with the December Newsletter (Attachment 2). If you have any questions, please contact me by email at pjallard@earthlink.net or call me at 861-3112.

Also, please plan on bringing lunch, or we can order pizza the day of this class as it will most likely go past noon. See you Saturday, the 23rd.

Because we have several members collecting monies, we would like to ask you to pay for each ODA expense to the appropriate person. This will make bookkeeping so much easier and we sure would appreciate your help on this. When paying your Workshop fees, please pay with cash (or a check made out for JUST the Workshop fees) and give to Harriet Conner.

If you are paying other things ODA...please pay the appropriate person.

Arline Hardy ... Dues
Kathie Monroe...Raffle

Remember, Harriet Conner will be collecting for Workshop fees and any surface related to that month's workshop. Thank you so much for understanding. Pam Allard, 1st VP. Workshop Chair

SOMETHING NEW:

ODA Cookbook Plans

ODA is planning on putting a cookbook together. We would like you to send in your favorite recipes to Pam Allard. We do not have a deadline on it as yet, and don't even know how many recipes we can collect, but we do know that our ODA members are the best cooks around! So, we are looking forward to getting started on this. If you would like to work on this committee, or send in a recipe, please contact Pam at pjallard@earthlink.net.
